

MEMORANDUM

SMF-4J

DATE: November 2, 2001

SUBJECT: Conditional Approval of the First Revisions Quality Assurance Project Plan (QAPP) for the PRP-Lead Remedial Investigation/Feasibility Study (RI/FS) Support Sampling Plan (SSP) for Waste, Soil, Stormwater, Groundwater, and Air at the **Sauget Area 2 Sites** in Sauget, Illinois

FROM: Richard L Byvik *Richard L Byvik*
Field Services Section (FSS)

TO: Mike Ribordy
Remedial Project Manager (RPM)

I recommend conditional approval of the first revision QAPP for the PRP-Lead RI/FS SSP for Waste, Soil, Stormwater, Groundwater, and Air at the **Sauget Area 2 Sites**, Sauget, Illinois. The subject QAPP was received by FSS on September 11, 2001, Login # 2754. Comments were sent October 4, 2001, and October 25, 2001. A conference call was conducted on October 9, 2001. Responses were received October 18, 2001, and November 1, 2001. The condition of approval is that a Title/Approval page with signature lines for all the appropriate project officials must be provided.

CC: Steve Ostrodka
